

PayFlex MobileTM

Helping you stay connected to your tax-advantaged account

Get access to your PayFlex[®] account with our free* PayFlex Mobile application. This app makes it easy for you to manage your account virtually 24/7. It's available for iPhone[®] and iPad[®] mobile digital devices, as well as AndroidTM and BlackBerry[®] smartphones.

The PayFlex Mobile app lets you:

- View your account balance and manage your account funds.
- Request reimbursement and view transaction history.
- View PayFlex Card[®], your account debit card, purchases and submit documentation (if applicable).
- View your benefits plan information (if applicable).
- View a list of common eligible expenses items.

Security is our priority

PayFlex Mobile is a secure and safe way to view your account information. We use the same security for the app as we do for the PayFlex website.

Account alerts at your fingertips

Receive important account alerts about the status of your account. You can also find out when you need to take action.

Note: Not all of the PayFlex Mobile functionality is available for BlackBerry smartphones. Menu layouts, designs and screen displays may vary on your device.

Learn more

After you enroll in a tax-advantaged account, be sure to check out our PayFlex Mobile Quick Reference Guide to help you get started. You can find this guide on the PayFlex website via the Resource Center.

Contact your human resource representative to find out if PayFlex Mobile is available to you.

*Standard text messaging and other rates from your wireless carrier still apply.
