

FAST FACTS 2023

Carilion Clinic is a nationally recognized, tax-exempt health system advancing the health of our communities and the nation through comprehensive patient care, education and research. With a network of seven hospitals, more than 250 physician practices and a range of health and wellness services, Carilion cares for nearly 1 million Virginians and West Virginians. Partnerships with premier institutions like Virginia Tech and Radford University help us train tomorrow's medical providers, discover new treatments and techniques and enhance patient care.

Our Service Area

Carilion Clinic serves an approximately 20-county region in central and southwestern Virginia and southern West Virginia.
