

It's Always Too Early Until It's Too Late

Take charge of your healthcare choices!

Join us on National Healthcare Decisions Day (NHDD) to learn more about medical directives and advance care planning.

- NHDD is dedicated to helping you understand and assert your healthcare preferences.
- Whether you're planning for yourself or a loved one, this is an opportunity to learn about advance directives, gather resources, and ask questions in a supportive environment.

Visit one of our tables on April 16 where you'll find:

- Advance Care Planning professionals who can assist with any questions or concerns you might have
- Copies of the Virginia Advance Directive

Take control of your healthcare choices by completing an advance directive on National Healthcare Decision Day.

Presented by the Advance Care Planning Council and Carilion Clinic Hospice.
